

Good Evening Parents and Guardians of Wakefield Knights!

My goodness, can you believe that we are two week out from Fall Break! Where does the time go? We have lots to communicate, but first, I hope this email finds each of you happy and healthy. We continue to thank you for your support of Wakefield, and your choice in our community. That said, please see as follows for up and coming important information.

School uniforms – please know that we have been flexible with wearing uniforms to date. However, in an effort to ensure that all students are ready for re-entry, whenever that may be, we kindly ask that all students wear their uniforms to their live Zoom session each day. If you need additional information on colors, styles, etc. please email our incredible front office manager, Melissa Stark, at Melissa.Stark@tusd1.org.

From Mr. Rene Acereto (Mathematics) - Thank you for visiting during Goal Setting Conferences! I am available to meet should you wish to follow up, or to discuss your student's academic performance in the event you were not able to attend. Please be advised that our Gradebook for Accelerated 6th Math closes next week on Friday, October 2nd =]

From Ms. Claudia Lopez (Humanities) - I would like to thank all of the parents/guardians that I met with during Goal Setting Conferences! Please email me with any further questions or concerns. Please check with your child daily and any missing work. I still have some students who have not turned in assignments from last week. That assignment is entitled, "Remembering 9/11" & "The Constitution." This week we are reviewing for upcoming benchmark assessments. Finally, we are almost at the end of the month, so please help us to reach our Reading Goal for the month of September by encouraging your child to read nightly. Thank you!

From Mr. Timothy Malan (Science) - It was great seeing all the parents/guardians attending your child's Goal Setting Conferences last week. I feel like your children had very meaningful reflections and they set impactful goals for the future. In class, we have been collecting data for our sleep study for our quarter one wellness project as well as working on their modeling skills using Google slides. Your children are a pleasure to have in class. Thank you!

From Mr. Glen Encinas (Physical Education) - Thank you to all of the families who joined us in the Goal Setting Conferences. It was wonderful to meet all of you. We will be doing yoga with our amazing new guest instructor starting tomorrow and continue every other Thursday. It would be great if you could help your yogi student prepare by having them ready with a towel or yoga mat on 10/01. Thank you!

From Ms. Jennifer Vasquez (School Counselor) - This week in School Counseling Class we did a review of Middle School success tips and strategies for online learning organization and introduced 'Student Celebrations'. This is a new activity that will start to grow our sense of community. Please ask your student about it! Thanks to all the families that joined your Wakefield Knights for their School Counseling Goal Setting Conference! If you did not make it last week, please contact Mrs. Vasquez to schedule a meeting at your earliest convenience.

Thank you so much and go knights!!

With very warm regards,

Kamren Taravati
Principal
